Screenscapes

American Artist
Diana Cooper
Luke Murphy
Rafaël Rozendaal
Penelope Umbrico
Artie Vierkant

I can think of nothing more boring for the American people than to have to sit in their living rooms for a whole half hour looking at my face on their television screens.

–Dwight D. Eisenhower

so I was thinking.....

much of the world comes to us through the screen now
the grid of pixels carrying data
content formalized by geometry
abstracted by remote delivery
systematized by structure
networked and shared on and off line
there is no abstraction, there are screenscapes
let's look at them

Screenscapes includes six artists working within the formal space of a screen, or exploring the formalization of networks. tbh I wish I came up with a better title.
